

# ART

## GRADE 4 - PRINTMAKING

### Essential Understandings/Learning Goals:

- Printmaking is any of several different processes for making multiple copies of an image.
- A relief print is a print where the raised areas of the plate receive ink.
- Signing, numbering and titling prints completes the edition as a unit.

### Content Vocabulary:

Line  
Shape  
Texture  
Relief Print  
Mirror Image  
Styrofoam Block  
Ink  
Brayer  
Inking Plate  
Pulling a Print
