Unused vacation time may be accumulated to a maximum of 80 days at a rate of ten (10) per year, initial credit for the same not to exceed 10 days. Upon death, retirement or termination of service in the district, the Administrator will be compensated for each accumulated vacation day at the rate of 1/225 of the current annual salary. The Board shall provide eligible employees with the opportunity to enroll (for individual, 2-person, or family membership) in a comprehensive health insurance plan (the "Plan"). The Plan will include a \$20 office co-payment, a \$20 advanced radiological co-payment, a \$100 emergency room co-payment, a \$150 outpatient surgery co-payment, and a \$250 per admission co-payment for hospitalization. Out-of-network services will be subject to deductibles of \$250/\$500/\$750 and to co-insurance of 20% up to \$1250/\$2500/\$3750. Prescription drug co-payments shall be as follows: \$10 for generic, \$25 for formulary drugs, \$40 for non-formulary drugs, with 2x co-payment for mail order, with an unlimited annual benefit.

The Administrators shall pay nineteen percent (19%) of the costs of the Plan in the 2011-12 contract year, with an increase of one (1) percentage point in each year of the contract:

2. HSA Plan

The Board shall implement a high deductible/HSA plan including the following components:

The Board's contribution toward the HSA deductible will be deposited into the HSA accounts throughout the course of the year, on the Board's payroll dates. The parties acknowledge that the Board's contribution toward the funding of the HSA plan is not an element of the underlying insurance plan, but rather relates to the manner in which the deductible shall be funded for actively employed Administrators. The Board shall have no

obligation to fund any portion of the HSA deductible for retirees or other individuals upon their separation from employment. If the high deductible/HSA plan is implemented after the start of the calendar year, the Board's contribution toward the funding of the deductible shall be pro-rated for that year.

Administrators shall be responsible for paying the following percentages of the premium costs for the high deductible/HSA plan:

2011-12	11%

The Board also reserves the right to self-insure some or all of the health, dental and life insurance benefits. The Board will consult with the Society before changing carriers and will arrange for information sessions with affected employees prior to implementing any change.

- D. Income protection/disability insurance selected by the society to provide income of \$2000 per month for the term of disability or to age 65 (88% paid by Board).

- E. A retiree may continue coverage of the health, life insurance and disability plans under a sub group established by the Board. Administrators in this sub group shall make monthly payments through the Board. The Board shall pay twenty-five percent (25%) of the cost of the coverage for a maximum of ten (10) years for a retiree with a minimum of ten (10) years of service in the Tolland schools, after which a retiree may choose to continue payments through the Board until eligible for Medicare benefits.

- F. Compensation shall be paid by the Board to an Administrator for personal property damage sustained as a result of performance of lawful duties. The compensation shall not exceed the cost of repair or replacement less the amount paid by the Administrator's homeowners or automobile insurance.

ARTICLE VI - FRINGE BENEFITS

- A. An amount equal to 3% + \$800.00 of an Administrator's salary (Article XVII) paid by the Board as a fringe benefit, to maintain in each Administrator's name an annuity fund selected by the Administrator. This entire contribution to the Administrator's annuity fund shall be credited in one lump sum payment at the first pay period in July. Should the Administrator terminate service during the contract year in the school district, the Administrator shall reimburse the town at the time of severance on a pro rata basis for the remainder of the year not served. An Administrator may elect to have the Board contribution to the annuity included as regular income and reported as salary, in which case, the amount will be paid in equal installments throughout the contract year.
- B. An Administrator choosing to allocate a portion of his/her salary to an annuity may have a percentage of that portion credited to the fund during the first pay period in July. The entire amount chosen by the Administrator will be deducted in monthly installments.
- C. The amount \$1,100 per Administrator shall be budgeted annually for Administrators' attendance at professional conferences, courses, and conventions which have been approved in advance by the Superintendent. The reimbursement shall not exceed the cost of the per-Administrator allocation or the cost of the conferences, courses, and workshops, whichever is less.

ARTICLE VII - SICK LEAVE

- A. Administrators shall be entitled to sick leave with full pay up to twenty-four (24) working days each year. Notwithstanding the foregoing, any Administrator in a ten (10) month position shall be entitled to sick leave with full pay for up to twenty (20) working days each year. Unused sick leave may be accumulated to 400 days. Sick days shall be credited to the Administrator in advance as of July 1 of the contract year. Absences resulting from personal injury sustained in performance of official duties shall not be charged to sick leave but shall be paid at regular salary.
- B. In the event of extended illness in which the accumulated sick leave is exhausted, the Board shall maintain the fringe and all other benefits for the remainder of the contract.
- C. Upon retirement, death or termination of service in the district, Administrators shall be compensated for accumulated sick leave. The compensation shall be at the rate of fifty dollars (\$50.00) per accumulated day not to exceed 225 days.

ARTICLE VIII - PERSONAL DAYS AND SHORT TERM LEAVES OF ABSENCE

Administrators shall be entitled to the following leaves of absence with full pay:

- B. Family Illness - Absences up to fifteen (15) days per year due to illness in the Administrator's immediate family may be charged to that Administrator's sick leave. Immediate family shall be defined as the employee's spouse, parent, step-parent, sibling, child, step-child, or any other person domiciled in the employee's household.
- C. Religious Holidays - maximum two (2) days.
- D. Personal Days - three (3) days, not accumulative, to be used at the Administrator's professional discretion to conduct personal business. The reason for the use of such days shall be confidential and stated to the Superintendent.

ARTICLE IX - LEAVES OF ABSENCE WITH COMPENSATION

Leave of absence with compensation is considered a benefit to the recipient and the school system. The program of leaves of absence with compensation is specifically designed to improve the instructional program, provide stimulating professional growth opportunities for the Administrators and preparation for additional responsibilities.

Administrators on leave of absence with compensation shall be paid a minimum of fifty percent (50%) of the contract rate and full benefits in effect during such a leave except that sick days may not be accumulated during the leave.

- A. Specifications
 - 1. A leave of absence with compensation may be granted at the discretion of the Board to any Administrator who has completed six (6) consecutive years of service as an Administrator in the district and upon recommendation of the Superintendent.
 - 2. Application for leave of absence with compensation will be submitted to the Superintendent in writing by January 1 prior to the proposed date of the leave. The applicant will include a statement in writing specifying the purpose of the leave, an outline of the proposed program, and sufficient information to establish the value of the leave to the applicant and the school system.

B. Conditions

1. Full time leaves of absence with compensation will ordinarily be granted for not less than three (3) months (one semester) nor more than one (1) calendar year. Part time leaves of absence with compensation will be considered by the Board.
2. Administrators granted such leave agree not to accept gainful employment while on leave, except as approved by the Superintendent.
3. An Administrator, while on leave of absence with compensation, shall be considered in regular full time attendance in the position from which the leave was taken during the period of said leave, for the purpose of determining the Administrator's length of service and the right to receive all contract benefits.
4. Remuneration will be in accordance with the contractual agreement.
5. Administrators granted a leave of absence with compensation are required at the conclusion of the leave to return to their administrative duties in the Tolland School System and continue in Tolland for not less than two (2) years. Prior to beginning the leave, the Administrator shall enter into a contract to return to active service in the Tolland Public Schools for a period of two (2) years following the expiration of such leave in the previous administrative position, or to an administrative position mutually acceptable to the Administrator and the Board. An Administrator who does not abide by this contract shall repay the Board the sum bearing the same ratio to the amount received while on leave that the unfulfilled portion of the two (2) years subsequent years' service bears to the full two (2) years; provided, however, that the Administrator shall be released from such payments if his/her failure to serve the two (2) years as stipulated is due to illness, disability, death, or if transferred or discharged from his/her position by the Board.
6. A successful applicant who, for any reason, chooses to refuse his/her leave will notify the Superintendent of this fact no later than three (3) months prior to the approved starting date of said leave to be assured of an administrative position in Tolland during the year for which the said leave was granted.
7. The Administrator, upon return from leave, will receive reappointment to his/her former position, or to a position mutually acceptable to the Administrator and the Board.

C. Qualifications

In evaluating applications for a leave of absence with compensation, the following shall be considered:

1. The extent of the applicant's professional study, growth, contributions, and successful service in education.
2. The extent to which plans submitted for the use of time on leave are definite and educationally constructive.
3. Other leaves held by the applicant, such as exchange programs, health leave, or others provided by the Board.

ARTICLE X - EXTENDED LEAVE OF ABSENCE WITHOUT PAY

An Administrator, at the discretion of the Board, may be granted a leave of absence without pay for up to one (1) calendar year. Ordinarily, application for such leave will be submitted to the Superintendent in writing by January 1 of the year of the leave. It is understood that the Board will consider exceptions.

ARTICLE XI - ASSIGNMENTS AND TRANSFERS

- A. Assignments and transfers of Administrators will be made by the Superintendent to best serve the interests of the educational program. Administrators shall be given advance notice of intent to change assignments and/or transfer of administrative responsibility.
- B. In the event of anticipated change in administrative assignment, written notice of the proposed change will be provided to Society Members as soon as practicable. The notice will be sent to the addresses of record of the Administrators.
- C. A meeting date, mutually agreed upon by Administrators and the Superintendent, will be established for the purpose of discussion and consultation regarding the proposed change in assignment. Whenever possible, voluntary transfer or reassignment of Administrators shall be implemented.
- D. The existence of vacancies in administrative positions shall be sent either electronically or in writing to each Administrator. When such vacancy occurs during the summer months, notification shall be sent to the address of record of each Administrator.

ARTICLE XII - PROTECTION OF ADMINISTRATORS

- A. The Board shall protect and save harmless an Administrator from financial loss and expense as provided in Section 10-235 of the Connecticut General Statutes arising out of the defense of any claim by reason of alleged negligence or other act resulting in alleged mental, educational or accidental physical injury providing such administrator was acting in the discharge of duties within the scope of his/her employment.

- B. Pursuant to Section 10-236 of the Connecticut General Statutes, if an Administrator is absent from school as a result of injury caused by assault or arising out of and in the course of his/her employment, the Administrator shall be paid full salary without having the absence charged to annual or accumulated sick leave. Any amount of salary payable pursuant to this section shall be reduced by the amount of any Workmen's Compensation award for disability due to the said injury for the period for which such salary is paid.

- C. It is recognized that inquiries or investigations may be made when allegations or complaints are made regarding professional or non-professional staff, plant and facilities, instructional or non-instructional programs and similar matters dealing directly with an Administrator's professional performance. If an Administrator is the subject of such an investigation, he/she shall be given, upon request, a written statement of the specific nature of the complaint. Any potential adverse personnel action which may be taken by the Superintendent or the Board against the Administrator must be done strictly in accordance with the provisions of due process, the Administrator being given due notice and an opportunity to be heard and present evidence in his/her defense. Any action taken by the Superintendent, after such hearing, may be appealed by the affected Administrator in accordance with the provisions of Article XIV (Grievance Procedure). Notwithstanding the foregoing, the parties acknowledge and agree that contract non-renewal and termination are governed by Section 10-151 of the Connecticut General Statutes and are not subject to the grievance procedure set forth in this Agreement. Administrators shall not receive a written reprimand or be suspended without just cause.

ARTICLE XIII - PERSONNEL

The Board and the Society agree that prior to the submission of any recommendation to the Board for the establishment of any new positions or the elimination of existing positions to be or being currently represented by the Society, the Board and Superintendent or representatives thereby shall consult with representatives of the Society so that consideration may be given to the Society's views during the formulation of any plans, projects or proposals.

ARTICLE XIV - GRIEVANCE PROCEDURE

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to problems which may arise affecting the welfare and working conditions of Administrators. It is agreed that proceedings shall be kept confidential.

A. Definitions

1. "Grievance" shall mean a claim by an Administrator based upon a violation, misinterpretation or alleged breach of a provision(s) of this contract which affects the welfare or conditions of employment of an Administrator or group of Administrators in an inequitable or unfair manner.
2. "Administrator" shall refer to those individuals identified in Article I and may include a group of Administrators similarly affected by a grievance.
3. "Party in interest" shall mean the person or persons making the claim, including the designated representative as provided for herein, and any person or persons who might be required to take action or against whom action might be taken in order to resolve the problem.
4. "Days" shall mean normal working days.

B. Time Limits

1. Since it is important that a grievance be resolved as rapidly as possible, the number of days indicated at each step shall ordinarily be considered a maximum. The time limits specified may be, however, extended by written agreement of the parties in interest. It is understood that grievance meetings and proceedings shall be held during normal working hours when school is in session.
2. If an Administrator does not file a grievance in writing within thirty (30) working days after he/she knew, or should have known, of the act or conditions upon which the grievance is based, then the grievance shall be considered to have been waived.
3. Failure by the aggrieved Administrator at any level to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.

C. Informal Procedures

1. The aggrieved Administrator may first discuss the matter of the grievance with the Superintendent in an effort to resolve the problem informally.
2. If the Administrator is not satisfied with such disposition of the matter, he/she shall have the right to have the Society assist him/her in further efforts to resolve the problem informally with the Superintendent.

D. Formal Procedures

1. Level One - Superintendent

- a. If the aggrieved Administrator is not satisfied with the outcome of informal procedures, or if he/she has elected not to utilize such procedures, he/she may file a written grievance with the Society for referral to the Superintendent.
- b. The Society shall, within five (5) days after receipt, refer the grievance to the Superintendent, but prior to doing so, the Society shall provide an opportunity for the aggrieved Administrator to meet with the Society to review the grievance.
- c. The Superintendent shall, within ten (10) days of the receipt of the grievance, meet with the aggrieved Administrator and representatives of the Society for the purpose of resolving the grievance. A full and accurate record of such hearing shall be kept by the Superintendent and made available to parties in interest or authorized representatives and the Board upon written request.
- d. The Superintendent shall, within seven (7) days after the hearing, render a decision and the reasons therefore in writing to the aggrieved Administrator, with a copy to the Society.

2. Level Two - Arbitration

- a. If the aggrieved Administrator is not satisfied with the disposition of the grievance at Level One, he/she may request within (5) days of the decision, in writing to the president of the Society, that his/her grievance be submitted to arbitration.
- b. The Society, within five (5) days of the receipt of such request, submit the grievance to arbitration by so notifying the Board.
- c. The chairman of the Board and the president of the Society shall, within five (5) days after such written notice, jointly select a single

arbitrator who is an experienced and impartial person of recognized competence. If the parties are unable to agree upon an arbitrator within five (5) days, the American Arbitration Association shall immediately be called to select the single arbitrator. The arbitrator shall have no power to delete from, add to or modify in any way the provisions of this agreement.

- d. The arbitrator selected shall confer promptly with representatives of the Board and the Society, shall review the record of prior hearings, and shall hold such further hearings with the aggrieved Administrator and other parties in interest as he/she shall deem requisite.
- e. The arbitrator shall within ten (10) days after his/her selection, render a decision in writing to all parties in interest setting forth his/her findings of fact, reasoning, and conclusions on the issues submitted. The decision of the arbitrator shall be final and binding on all parties in interest.
- f. The costs for the services of the arbitrator shall be borne equally by the Board and Society.

E. Rights of Administrators to Representation

- 1. No reprisals of any kind shall be taken by either party or by any representative of the Board against any participant in the grievance procedure by reason of such participation.
- 2. Any party in interest may be represented at Levels One and Two of the formal grievance procedure by a person of his/her own choosing, except that he/she may not be represented by a representative or an officer of any other administrator organization other than the Society. When the Administrator is not represented by the Society, the Society shall have the right to state its views.
- 3. In the event that the Society shall not have elected to submit a grievance to arbitration, the aggrieved Administrator may submit the grievance to arbitration independently by following the procedures outlined above, provided, however, that the share of the costs for the arbitrator shall be borne by the aggrieved Administrator.
- 4. The Society and/or the Board may, if they so desire, call upon any professional services for consultation and assistance at any stage of the procedure.

F. Miscellaneous

All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

ARTICLE XV - ADMINISTRATIVE REDUCTION IN FORCE

- A. It is recognized that from time to time it may become necessary to eliminate certified staff positions in certain circumstances. The Board has the sole authority authorized by Connecticut General Statutes to establish and maintain educational programs and determine the number of Administrators who shall be employed. All other Board prerogatives as stipulated by Connecticut General Statutes are acknowledged. The following outlines the method in which staff reductions will be implemented, how Administrators are to be affected by a reduction in force will be identified and the manner in which they will be reassigned and compensated.
- B. If it becomes necessary to reduce the number of Administrators in the bargaining unit, the Board or the Superintendent, as the case may be, shall determine and identify the positions, or programs in which reductions shall take place. In determining the Administrator who shall thereafter be released, the following guidelines shall apply:
1. Retirements, resignations, non-renewals and terminations among the administrative staff will first be reviewed by the Board to determine if the staff is reduced in sufficient number in this manner to avoid further release of administrators.
 2. If Administrators must be released, they must be dismissed in accordance with the following priorities:
 - a. Tenured Administrators with the least amount of seniority in Tolland shall be dismissed first except that such Administrators may be retained by the Board over more senior Administrators based on an analysis of the following factors:
 1. Need of the school system (i.e. levels of administrative experience - (elementary/secondary)
 2. Administrator's annual evaluation
 3. Educational Background
 4. Nature and diversity of certification

- b. Seniority used herein shall mean length of continuous service in the Tolland School System as an Administrator. In the event of equal seniority, total years of regular full time administrative experience shall govern.
3. The Board shall provide written notice to the Administrator(s) affected by the reduction in staff with a copy to the president of the Society. In any event, for such termination to become effective at the start of a school year, written notice shall be given no later than March 1st of the calendar year.
4. An Administrator who has been affected by reduction in force and subsequently assumes a different position in the Tolland Schools shall be given full credit on the teachers' salary schedule for all years of administrative and teacher service.
5. The Administrator shall be recalled to the first administrative vacancy for which he/she is certified and qualified in the Tolland School System. There is a two (2) year limit for this provision.
6. More specifically, the contract of employment of a tenured Administrator in the Tolland School System shall be renewed from year to year, as an Administrator, except that it may be terminated at any time for one or more of the following reasons:
