FROM THE PRINCIPAL'S OFFICE:

Keepin' It Real Day

On Friday March 17, our fifth-grade students will spend the day participating in mini-classes learning about topics relevant to their age group. The TIS Counseling Department has been hard at work in the development of Keepin' It Real Day. In preparation for the day, students will be provided with a survey asking their input on topics they'd like to see addressed during Keepin' It Real Day. In general, the topic list will include the following: self-esteem, empathy, peer pressure and coping skills.

Video Announcements

Every Friday our school community is entertained by video morning announcements created by members of the Tolland Intermediate School Technology Club. Video announcements consist of TIS on air talent and are produced by technology club members, along with their advisor Miss Yaglowski. Our video announcements are viewed in all classrooms via SMART Boards or Promethean board.

Read Across America Day

In honor of Read Across America Day, Mr. Dineen and Mrs. Merritt read fun stories, poems and even some jokes to students during all lunch waves.

SBAC Testing

Tolland Intermediate School will be administering the SBAC test to students the week of May 8. Students will be taking the test on their Chromebooks. More information regarding the SBAC will be sent out later this month.

Art ~ Library ~ Music ~ Physical Education

It's Kindness Month at TIS

Ms. Ballard - Art

Grade 3 In the month of February, The third graders will be making **Coil Pots** out of clay. The pots start with a basic geometric shape clay base and grow higher by adding coils one on top of the other. Students will learn about **slipping and scoring clay pieces** to make for a better construction. After the Coil pots have been **fired in the kiln**, students will select two **glazes** to put on the inside and outside of their **clay Coil pots**.

- **Smocks should be sent in for your child to wear during this project.**

Grade 4 The fourth graders will be making **Rangolis**. **Rangolis motifs** are part of an ancient art form originating in India to decorate floors. Rangolis are created to beautify surroundings during Indian festivals and special occasions. Students will create **one of the 4 mega Rangoli** stencil designs. (Types of Indian Designs are CHOWK, KOLAM, RANGOLI and ALPANA) Our Colored pencil designs will be 2 feet by 2 feet in size. Each student will decide which **motif (pattern)** interests them. The fourth graders will choose 4 to 7 colors to use in their design.

Grade 5 This month the 5th graders will start **two projects**. The **first** will be a **Contour Line drawing** of their favorite animal. Using their animal drawings the students will then construct a **3D Animal Wire sculpture** for their second project. Students will make a wire sculpture about 7 inches high using 14 gauge wire and then adding color wire to accent parts of their animal, such as feathers or fur. The second part of the 3D wire sculpture is the wooden base. Students will build a wooden base and finish it off by painting it.

- **The 5th graders will need to bring in a picture of the animal they wish to make for their sculpture. If they can not bring a printed picture of their animal they can bring a book , or their chromebook to class.**

Mrs. Hill - Library Media

* Books on Display in February: Black History Month, Valentine's Day and Biographies are the Fifth Grade Genre of the Month!

Special Display: Perfect Pairs! Take home the perfect pairing of one fiction and one nonfiction book on the same topic.

During the month of February, **third graders** will begin a folk and fairy tale exploration. Every visit, they will **watch, discuss, write about, and draw about one classic folk or fairy tale** like Cinderella or Jack and the Beanstalk. They will also watch a second story that is usually a fractured version of the same tale and verbally compare similarities and differences. Their written work each week will be combined into a take-home book!

In the month of February, **fourth and fifth graders** will begin to learn about, and practice using, **Reference Sources** such as encyclopedias, dictionaries, atlases, and thesauri. They will **use online and print versions** of these reference sources as reading and note taking from online articles and printed text are both very relevant, life-long skills.

***EVEN IF IT'S NOT YOUR STUDENT'S LIBRARY DAY, THE LIBRARY IS ALWAYS OPEN! Your student is encouraged to put books on hold at school or at home and the library staff will deliver the books to their classroom! So easy!**

FROM THE NURSES' OFFICE:

Dear Parent/Guardian,

This year we will conduct a 5th grade Health and Hygiene class with all 5th grade classrooms. Each 5th grade class will participate in a 45-minute lesson between March 9th-24th. Highlights of the class will be proper oral care, hand hygiene to reduce the spread of germs, cleaning the body and wearing clean clothes to reduce offensive body odors, and healthy eating and sleeping habits to work on a healthy body and mind. Students will have a chance to do an interactive hand washing activity during this presentation and they will come home with a small bag of hygiene products. They will have an optional at-home to complete if they choose.

If you do not feel your child should participate in this hygiene presentation with their class, please sign and return the form below **no later than MARCH 3rd.**

This health and hygiene presentation is not the same as a growth and development section which is part of their health curriculum; and this health and hygiene section will **not** address stages, or changes of puberty.
