FROM THE PRINCIPAL'S OFFICE:

Book Fair Thank You

A huge thank you to Mrs. Coles and Mrs. Daigle for running a hugely successful book fair. Mrs. Coles and Mrs. Daigle spent countless hours both planning and running the fair. Also, thank you to all the volunteers who spent time working at the book fair. Proceeds from the fair are applied to our school.

Magnetic Slime

Mark Ruede, Tolland Science Supervisor conducted science labs with our third grade classes. During the labs, students had the opportunity to create magnetic slime and test out its magnetic powers. Be sure to ask your third grader about the lab.

Third Grade Chorus Concert

Congratulations to third grade Music Times Three members and Mrs. Marchesani for putting on an outstanding performance in front of a packed house!

Fifth Grade News Boston Freedom Trail

We are in the process of working out final details on our annual fifth grade trip to Boston. This year's trip will look a little different as a result of changes enacted by some venues over the last two years. Class trips will be scheduled during the first week of May. Once we have final details from the tour company & bus company we will send out a communication to families including permission slips.

SBAC Testing at T.I.S.

The SBAC at Tolland Intermediate School

This year students across the nation will again participate in new versions of state mandated standardized assessments. Connecticut's computerized test, developed by the Smarter Balance Assessment Consortium, is aligned to the Common Core State Standards in English language arts/literacy and mathematics.

The SBAC requires students to take a total of three tests, two in English language arts and two in mathematics. In order to test all students, we have developed a schedule that will test one grade-level at a time, during our testing window, which begins on May 6 and ends on May 10. Our schedule provides two-hour testing blocks for each grade-level. While individual subtests are not expected to take two hours, we have included extra time to account for test set-up. In addition, students will be permitted to test longer than the allotted time if needed. Each grade level will be tested during our designated two-hour block each morning.

Our goal in developing an SBAC testing schedule has been to minimize disruption to our typical school day. Minimizing disruption will entail students attending specials, inclusive of technology integration, keyboarding and multi-media research within the library time block.

NEW ITEMS THIS WEEK:

There are just a few days remaining in the Spring Sale. We've made a new ad to share

- Sale Dates: March 12th - March 26th
- 25% off all merchandise
- Free shipping on orders over \$60
- \$5 shipping on orders under \$60
- No code is needed!

The advertisement features a blue header with 'TIS' in white and 'OFFICIAL ONLINE STORE' in white on a green background. In the top right corner, the '1ST PLACE Spiritwear' logo is displayed. The main headline reads 'Spring SALE' in a large, stylized font. Below the headline, three pieces of merchandise are shown: a colorful tie-dye t-shirt with 'TIS HAWKS' printed on it, a grey hoodie with a hawk graphic, and a blue t-shirt with 'TIS HAWKS' printed on it. A large green banner on the right side of the merchandise area says '25% OFF SITEWIDE'. At the bottom, a green banner contains the text 'ORDER AT 1STPLACE.SALE/109626' and an orange banner contains 'HURRY! SALE ENDS MARCH 26TH'.

Unified Arts Update for March 2024

Art ~ Library ~ Music ~ Physical Education

Ms. Ballard - Art

Grade 3: Our third graders will be working on the Element of Art called **Space** this month. The students will be creating a drawing with a **foreground, middle ground, and a background** in their artwork. The picture will look **3D** by using a new art medium called **3D'Os**. This project will take us the whole month to construct so be on the look for them come April.

Grade 4: The fourth graders are starting a new project dealing with all of the **Elements of Art**. This project will last a few weeks as we learn more about all of the Elements of Art, which are line, color, texture, shape, value, shape and space. Students will be working on 9" x 12" white paper to create a powerful design illustrating all 7 of the **Elements of Art**.

Grade 5: Our fifth graders will be working on a new project as well learning about **Tessellations**. A **Tessellation** is a design with no gaps or overlapping images. The artist we will be inspired by is **M.C.Escher**. This project will take us the whole month of March and part of April. Students will select an animal pattern to use in their tessellation. Once the animal tessellation is drawn the student will then color them using colored pencils. All student's marionettes have been graded and should be going home this week.

Mrs. Hill - Library Media

Grade 3: From mid-February to the end of March, third graders will be exploring **Folk and Fairy Tales**! They will listen/watch a tale, write notes about important characteristics like characters, setting, and magical elements, then draw a picture on the back of their favorite, or an important, part of the story. Their pages will be collected and eventually collated into individual "books" the students can take home. They will write about one tale each week and watch a second tale that will just be discussed. The students are very excited to talk about their opinions of the characters and their actions in these traditional folk and fairy tales! **The Folk and Fairy Tale unit will end with a STEM challenge to see who can create the tallest beanstalk** without tipping over the giant, the golden goose and his harp!

Grade 4 In March, fourth grade students are all about research! They will use books, encyclopedias, dictionaries, magazines, and websites to research wild animals.

Grade 5 During the month of March, fifth grade students are working on fiction and nonfiction writing. Students chose a topic to do some research about and then they had to write a creative, short fiction story on that topic. The students did this work in Google Slides and when writing was complete, they were encouraged to add pictures, fonts, color, design, transitions and animation to their slideshows. The stories were amazing!

****THE LIBRARY IS ALWAYS “OPEN”! Your student is encouraged to put books on hold at school or at home and the library staff will deliver the books to their classroom! So easy!**

Ms. Baker - General Music

Grade 3 general music: The third graders are currently Learning to read music by learning the soprano recorders. The recorder is a woodwind instrument used to introduce band skills and techniques in the third grade curriculum. During March and April, the third graders will also be learning about the instruments of the band and orchestra in preparation for choosing a musical instrument for the fourth grade band in September. Students are encouraged to participate in both chorus and band in fourth

grade.

Grade 4 general music: In the fourth grade general music classes the students are completing their unit on African music by learning and practicing their hand drumming skills. They will be reviewing the skills and knowledge they learned during the African unit through cooperative stations. In April, they will be learning about the music of Asia and Chinese music notation. We will also be discussing opportunities for next year in grade 5 band and chorus. Students will be encouraged to participate in both grade 5 band

and chorus next. Both groups are a great opportunity to expand their musical abilities and have fun!

Grade 5 general music: The fifth graders are completing their unit on Hawaiian music with a cooperative composing and performing project. During the month of April, they will be practicing their ukulele chord progressions and songs to record for a digital composing project. The ukulele is a great instrument for students to learn to play. I am excited that so many students have taken the initiative to purchase their own ukuleles and continue using what they have learned at home.

Grade 4 and 5 Chorus: Chorus members are refining their performance skills and preparing for their **concert** on ***Thursday, April 25th to be held at TIS in the cafeteria.*** ***The grade 4 chorus concert will be at 6:15 p.m. Students are to arrive by 6:00.*** ***The grade 5 chorus concert will be at 7:30. Students are to arrive at 7:15.*** Both choruses will continue to meet weekly after the Concert through June.

Mrs. Marchesani -

4th & 5th Grade Band and 3rd Grade Mx3 Chorus

Grade 4 Band: Band members are working towards mastery of performance skills needed for their first Band Concert! Rest position, playing position, solo/tutti and playing in rounds are some of the skills we are refining. Our first band arrangement piece titled “Attack of the Slide Trombones” features our trombone section having fun with glissandos and the entire band focusing on dynamic changes in the piece.

Small group instructional Band classes and WIN Full Band continue through the beginning of June.

Grade 5 Band: In 5th grade Band classes, students are using self-reflection and peer feedback to refine individual and ensemble performances of a variety of music selections planned for their TMS Step Up Concert on March 18th and a Spring Concert. A 5th grade Band favorite is “This Old Dude” which contains variations on the traditional tune “This Old Man”. Students have tackled learning

How can you help your child succeed in preschool?

A positive preschool experience can help set your child up for future success in kindergarten and beyond. You can help to ensure your child will flourish in a preschool class by working on the following readiness skills:

- Listening and following simple directions.
- Expressing wants and needs verbally.
- Following a routine with multiple transitions.
- Sharing and taking turns with friends and family.
- Self-help skills such as getting dressed, using the restroom, and eating lunch/snack with minimal assistance.

We strongly encourage families to begin working on toilet learning prior to the start of the school year. Please let us know if you need support and guidance during this learning process.

FROM OUR SCHOOL NURSE:

Appropriate Outerwear and Appropriate Footwear

Two reminders for your student. Please remind them to know their scheduled day for gym class. They should be wearing appropriate athletic footwear to participate in required gym activities. Should you have any questions please reach out to kdowning@tolland.k12.ct.us OR you may contact the nurse. If your student does not know their gym day, have them check their class schedule. If they do not usually wear athletic shoes, a good option would be for them to have a labeled pair they keep in their locker.

Winter weather and outdoor recess. Your student should plan to have appropriate outerwear for cooler temperatures. If the weather is 20 degrees F and calm, recess is most likely outdoors. Days where there is snow on the ground and the temperature is warm enough; outdoor play will likely occur. Please help your student plan to bring, or wear, the appropriate outdoor gear for their comfort level. Boots are needed to play in the snow.

K-12 Student Accident Insurance

Enroll Online

www.studentinsurance-kk.com

Worried about paying for your child's medical care if an accident should happen? K&K's student accident insurance can help.

K-12 Accident Plans available through your school:

- *At-School Accident Only*
- *24-Hour Accident Only*
- *Extended Dental*
- *Football*

How to Enroll Online

Enrolling online is easy and should take only a few minutes. Go to www.studentinsurance-kk.com and click the "Enroll Now" button.

1. Start by telling us the name of the school district and state where your child attends school.
2. We'll request each student's name and grade level.
3. You'll see the available plans and their rates. Select your coverage and continue to the next step.
4. We'll request information about you, like your name and email address.
5. Next, you'll enter information about the child or children to be covered.
6. Enter your credit card or eCheck payment information.
7. Finally, print out a copy of the confirmation for your records.

For further details of the coverage including costs, benefits, exclusions, any reductions or limitations and the terms under which the policy may be continued in force, please refer to www.studentinsurance-kk.com. Student is able to purchase the coverage only if his/her school district is a policyholder with the insurance company.

¿Le preocupa tener que pagar la atención médica de su hijo si ocurre un accidente? El seguro contra accidentes para estudiantes de K&K puede ayudarlo.

Planes de cobertura en caso de accidente para K-12 disponibles a través de su escuela:

- *Sólo accidentes en la escuela*
- *Sólo accidentes, 24 horas*
- *Dental extendido*
- *Fútbol*

Cómo inscribirse en línea

Inscribirse en línea es fácil y sólo le tomará unos pocos minutos. Visite www.studentinsurance-kk.com y haga clic en el botón "Enroll Now" ("Inscribirse ahora").

1. Comience por decirnos el nombre del distrito escolar y el estado en el que su hijo(a) va a la escuela.
2. Solicitaremos el nombre y el grado de cada uno de los estudiantes.
3. Verá los planes disponibles y sus tarifas. Seleccione su cobertura y continúe con el siguiente paso.
4. Le solicitaremos información sobre usted, como su nombre y dirección de correo electrónico.
5. Después, ingresará la información acerca del niño o niños que recibirá(n) cobertura.
6. Ingrese la información de pago de su tarjeta de crédito o eCheck.
7. Finalmente, imprima una copia de la confirmación para sus registros.

Para obtener más detalles sobre la cobertura, incluidos costos, beneficios, exclusiones y reducciones o limitaciones y los términos en virtud de los cuales esta póliza podría continuar en vigencia, consulte www.studentinsurance-kk.com. Los estudiantes pueden comprar la cobertura únicamente si su distrito escolar es titular de una póliza con la compañía de seguros.

School Meals 2023-2024:

All students are eligible for a free breakfast each day. Students who qualify for free or **reduced-price meals** will also be eligible to receive one free lunch daily. **ALL OTHER LUNCHES WILL BE CHARGED AT THE CURRENT LUNCH PRICE PER SCHOOL.**

Payment for these lunches is the responsibility of the parent or guardian. The district participates in the National School Lunch Program and Breakfast Program which offers students nutritionally balanced meals daily. The lunch period is 30 minutes. Proper manners are always expected in the cafeteria. Free and reduced price meals are available based on financial need. Information on this program may be obtained from the main office or Abby Kassman-Harned, the Food Service Director, at aharned@tolland.k12.ct.us or 870-6854.

We use a Point-of-Sale System that allows you to put money into an account for your child to purchase meals.

Scanning – All students will be scanned unless the parent or guardian opts out of this biometric identification procedure. When your child comes through the service line, he/she will scan his/her finger as a means of identification.

Payments – The cost of lunch at Birch Grove and Tolland Intermediate school is \$3.15. One school breakfast is free for all students. One milk is provided for each lunch and breakfast. Ala carte milk is \$0.75. You may sign up for [“My School Account”](#) and make your payments online. Your child may give payment along with a form to his/her classroom teacher to send to the office, or he/she may bring payment directly to the cashier in the cafeteria at mealtime. Your payment may take us a few days to process. It is important to keep a positive balance in your students’ accounts. If you have any questions or concerns, you may contact us at 860-870-6854 or aharned@tolland.k12.ct.us

The End
